7. Scientific Report

7.0. Overview of the Unit

Please give a brief presentation of the unit including the main strengths and achievements concerning research activities and scientific leadership of the unit as compared to its international partners. Refer to the unit's most relevant characteristics and data showing its critical mass for conducting research and any other information relevant to demonstrate research excellence and international leadership.

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD

Apoyo a Unidades de Excelencia María de Maeztu

7.1. Organization and Management and Research Capabilities

Please summarize the strategic research programme for the whole unit during 2012-2016, or, if this is missing, the unit's research lines and activities developed in the period and especially those that show the existence of common shared scientific goals. Refer to the main research areas or lines of the whole unit and the synergies and grade of integration or complementarity existing between the research areas or lines and the developed activities during the period. Refer to organizational characteristics that allow the unit to set scientific priorities, pursuit a coherent and integrated portfolio of research activities, and manage the available resources.

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD

Apoyo a Unidades de Excelencia María de Maeztu

7.2. Research Outputs 2012-2016

7.2.1. Outstanding Scientific Contributions

Please describe the scientific contributions of the whole unit over 2012-2016 and highlight their significance. Special reference should be given to the 10 outstanding scientific contributions and/or publications of the unit for the period and that show the capacity of the unit to generate highest international impact at the frontiers of knowledge.

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD

Apoyo a Unidades de Excelencia María de Maeztu

7.2. Research Outputs 2012-2016

7.2.2. Other Research Outputs

Please provide information on other relevant research outputs over the 2012-2016 period, such as patents, other IPR outputs, and research and collaborations with the private sector. Refer only to those results with highest scientific, societal and economic potential impact. Make special reference to activities of knowledge transfer, new applications developed, as well as science communication and outreach or any other significant output not included in section 7.2.1.

Apoyo a Unidades de Excelencia María de Maeztu

7.3. Human Resources and Research Facilities

7.3.1. Human Resources

This section is aimed at providing evidence on the existence of a solid scientific base and the unit's critical mass along its different research lines or groups. Please refer also to the research career, international recognition, scientific awards and leadership skills during the 2012-2016 period of the Scientific Director and the 6 researchers 'garantes' of the application.

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD

Apoyo a Unidades de Excelencia María de Maeztu

7.3. Human Resources and Research Facilities

7.3.2. Research Facilities

Please brief on research infrastructures and facilities that the unit shares or makes use of along 2012-2016. Refer to the access of national or international large research infrastructures or facilities.

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD Apoyo a Unidades de Excelencia María de Maeztu

7.4. Training and Recruiting

Please describe doctoral and post-doctoral training programs and related activities carried out during 2012-2016 and its international dimension. Refer also to the specific recruitment practices and activities for the 2012-2016 period. Describe the unit facilities and resources available to trainees as well as, if appropriate, the mechanisms in place to foster the research career (e.g. tenure track) and the practices for talent attraction and retention

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD

Apoyo a Unidades de Excelencia María de Maeztu

7.5. International Leadership

Please include a summary of the scientific relevance and impact of the international top class collaborations led by the researchers of unit over 2012-2016, including international and EU Framework Programme projects - with special attention to ERC projects- and any other international research activity and recognition revealing the leadership of the unit.

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD

Apoyo a Unidades de Excelencia María de Maeztu

7.6. Funding Sources

Please refer to the funding model of the unit during 2012-2016. Disaggregate by non-competitive public funding received by the unit through transfers of the State Administration, the relevant regional government or the organization to which it belongs; competitive funding from national and international sources, and non-competitive funding from the business sector.

8. Strategic Research Programme

8.0. Introduction

Please give an overview of the Strategic Research Programme to be implemented during 2017-2020 in a clear, understandable and concise manner. Please refer specifically to the aspects that will be put in practice by Maria de Maeztu funding in the 2017-2020 period.

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD

Apoyo a Unidades de Excelencia María de Maeztu

8.1. Scientific and Strategic Goals Linked to the Scientific Activities of the Unit 2017-2020

Please describe the specific research objectives and priorities, and implementation mechanisms of the unit Strategic Research Programme for 2017-2020 and its coherence with research activities carried out in 2012-2016 period and, if appropriate, a clear justification of the new research lines to be implemented and the resources needed thereto. Refer to the organization and management by focusing on coordination and synergies to be achieved between research areas and the procedures and criteria to be applied for resource allocation, as well as on any action to reinforce the unit. Include the planned research activities to increase collaborations of the unit with other external units, research centers or groups as well as, if appropriate, the planned enhancing of scientific infrastructure.

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD

Apoyo a Unidades de Excelencia María de Maeztu

8.2. Training and Recruiting Resources 2017-2020

Please describe: i) the new doctoral or postdoctoral training programs or improvements in the existing ones for the 2017-2020 period; ii) specific actions to attract national and international talent, and iii) measures to address the gender gap and to promote women in science within the unit (gender action plan). Please give quantitative numbers and targets attached to each action.

--

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD Apoyo a Unidades de Excelencia María de Maeztu

8.3. Internationalization

Please describe the Strategic Research Programme actions designed to reinforce and consolidate the international leadership of the unit with a specific reference to those aimed at i) strengthening collaboration with top research institutions ii) participation in large international research consortia; iii) to improve the unit's returns from Horizon 2020. iv) other actions within the European Research Area such as fostering participation in Joint Programming Initiatives, ERAnets, COFUND; obtaining the HR Excellence in Research award, etc. Please give quantitative targets attached to each action.

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD Apoyo a Unidades de Excelencia María de Maeztu

8.4. Exploitation and Diffusion of Research Outcomes 2017-2020

Please refer to the specific actions of the Strategic Research Programme aimed at enhancing the economic and social impact of the unit research outcomes, by including: i) the plan for management the unit's research outcomes with a detailed description of specific objectives and milestones ii) knowledge transfer and collaborative linkages with the business sector, research centers or other relevant stakeholders; ii) outreach activities and knowledge diffusion; iii) encouraging open access to scientific publications and underlying research data (especially if supported with public funds) accordingly to international standards. Please give quantitative targets attached to each action.

--

MINISTERIO DE ECONOMÍA Y COMPETITIVIDAD Apoyo a Unidades de Excelencia María de Maeztu

8.5. Strategic Opportunity, Feasibility and Monitoring Planning

Please provide a precise description on how the specific actions of the unit's Strategic Research Programme 2017-2020 will contribute to strengthen the unit's research capabilities, outcomes and international leadership. You should also provide a preliminary distribution of the Maria de Maeztu funding resources across the activities included in the Strategic Research Programme of the unit. In this section you should also describe the 2017-2020 Strategic Research Programme milestones as well as the monitoring provisions and their corresponding indicators.
