

European Partnership for BrainHealth 2026

Spain (AEI)

Please note that funder-specific requirements might apply to this call. For further information follow the links below or contact the national representative.

Funding organisation	Contact person (incl. email and phone number)	Eligible institutions	Eligible costs	Anticipated amount of funding for this call	Anticipated no. of funded projects	Max. funding awarded to one partner	Specific national submission and reporting requirements
Agencia Estatal de Investigación (AEI)	National contact point: Silvia Lorrio neuron@aei.gob.es	Eligible entities for the AEI funding are: Non-profit research organizations (such as universities, public research institutions, technological centres, patient organisations, and other private non-profit institutions performing RDI activities in Spain), which must comply with the requirements established by this transnational call and with the rules on eligibility defined in the corresponding Spanish national funding instrument “ Proyectos de Colaboración Internacional PCI ” (see PCI 2025-1 as an example) and the PCI Requirements document. They must have been previously beneficiaries of any of the AEI calls , according to the PCI Requirements document . They have to ensure contractual relationship with the Principal Investigator (PI) during all the implementation of the project. Centres formed by different Spanish legal entities will be considered as a unique entity, and thus	<ul style="list-style-type: none"> Research and innovation activities are eligible. Mere dissemination, communication or other similar activities will not be eligible. Only personnel costs for exclusive dedication to the project are eligible. The costs of permanent staff linked to the beneficiary 	650.000€	2-3	The following funding limits for direct costs and for a three-year project are considered eligibility criteria. Proposals not respecting these limits could be declared ineligible. • If the consortium is NOT COORDINATED by an AEI-applicant: max. € 140.000	Funding Programme: The framework for this funding action is the Plan Estatal de Investigación Científica, Técnica y de Innovación 2024-2027 . On a national level, the Call will be managed by the Subdivisión de Programas Científico-Técnicos Transversales .

		<p>the maximum funding should not exceed the limits per proposal established above (for example, mixed centres).</p> <p>Two centres or institutions belonging to the Consejo Superior de Investigaciones Científicas (CSIC) will be treated as two separate partners one from another when one of them is acting as Coordinator of the proposal and their tasks and identity in the project are sufficiently separated and justified.</p> <p>Although private enterprises are not funded by the AEI, the Spanish industrial sector is welcome to participate in the transnational consortia obtaining funds from innovation and technological development funding agencies, or using own funds.</p> <p>The final funding will take into account the transnational evaluation of the collaborative proposal, the scientific quality of the Spanish group, the added value of the international collaboration, the participation of the industrial sector, and the financial resources available.</p> <p>Principal Investigators (PIs) requesting funding to the AEI must:</p> <ul style="list-style-type: none"> • Be eligible to the corresponding PCI call (see PCI 2025-1 as an example) and the PCI Requirements document. • Demonstrate experience as investigators in projects funded by the different Plan Estatal I+D+i: 2013-2016, 2017-2020, 2021-2023, 2024-2027, ERC Grants, European Framework Programmes or other relevant national or international programmes. <p>It is strongly encouraged to check eligibility contacting the NCP.</p>	<p>entity or members of the research team will not be considered eligible costs.</p> <ul style="list-style-type: none"> • Direct costs such as current costs, scientific equipment, disposable materials, travelling expenses, coordination costs and other costs that can be justified as necessary to carry out the proposed activities. • Indirect costs (25% of all direct costs, including the subcontracting costs). • Clinical trials are eligible up to phase 1, with a maximum of 50% of the total 		<ul style="list-style-type: none"> • If the consortium IS COORDINATED by an AEI-applicant: max. € 220.000 • If the consortium is NOT COORDINATED by an AEI-applicant and there is another AEI -applicant in the proposal, the amount for both Partners is: max. € 180.000 • If the consortium IS COORDINATED by an AEI-applicant and there is another AEI-applicant in the proposal, the amount for both Partners is: max. € 260.000 • Additional amount of € 30.000 maximum (direct costs) and the corresponding indirect costs 	<p>Fortalecimiento y Excelencia (STRAN) of the AEI.</p> <p>Funding Instrument: The instrument for funding the Spanish groups requesting funding to the AEI is the corresponding Spanish call “Proyectos de Colaboración Internacional” (PCI) (to be published in due time).</p> <p>Data Protection: By submitting a grant application to the AEI, the applicants consent to communication of the data contained in the application to other public</p>
--	--	---	--	--	--	--

		<p>Incompatibilities: These must be taken into account when participating in different ERA-Nets, European Co-funded Partnerships or other international initiatives.</p> <ul style="list-style-type: none"> • PIs will not be eligible for funding if they apply (i) to more than one proposal in this transnational joint call(ii) to more than one proposal in the same PCI call and/or (iii) to PCI calls of consecutive years. • If the same PI submits two or more proposals in this transnational call, they will all be declared ineligible, except one, without the possibility of changing the PI. • Changes of the PI between the 2 steps of the transnational call are not allowed. • PI must remain unchanged between the proposal to this transnational call and the corresponding PCI call should the proposal be recommended for funding. • A PI that has been granted a PCI the previous year will be declared ineligible, without the possibility of changing the PI. <p>Important: The applicants should include in the application form the PI's full name and the full name of their institution as it is stated in the Sistema de Entidades (SISEN).</p> <p>Important: After the evaluation process and based on their budgetary availability and requested funding of selected projects, AEI and ISCIII may exchange applicants to each other in order to optimize the available funds, provided the respective eligibility rules are met.</p> <p>IMPORTANT and NEW!</p> <ul style="list-style-type: none"> • <i>Submission of proposals at the AEI:</i> Within one week after the pre-proposal submission, the Spanish PI must ALSO submit a proposal to the 	<p>budget (contact the National Contact Point for further details).</p> <p>Minor changes of the budget might be accepted between the pre-proposal stage and the full proposal stage, provided that the maximum requested amount does not exceed the maximum funding per project allowed. A request of change must be submitted to the AEI at least two weeks before the deadline for submitting full proposals.</p>		<p>can be requested per proposal if the work plan includes substantial experimental tasks carried out by the AEI applicants.</p> <p>"Substantial experimental tasks" are those required for the development of observational or experimental research projects. For instance, ecosystem sampling, design and execution of experiments, obtention of new data sets, use of analytical procedures for the quantification of physical, chemical, geological, or biological variables.</p>	<p>administrations, with the aim of further processing of the data for historical, statistical or scientific purposes, within the framework of the Organic Law 3/2018, of December 5, on Personal Data Protection and Guarantee of Digital Rights.</p> <p>Acknowledgement: Any publication or dissemination activity resulting from the granted projects must acknowledge the AEI funding: "Project (reference nº XX) funded by Agencia Estatal de Investigación (AEI) through</p>
--	--	---	--	--	---	---

		<p>AEI. The PI must include a copy of the international joint pre-proposal, and the “<u>Declaración responsable del investigador principal</u>” (see Word document on the AEI website).</p> <p>You can find below the link to the AEI application system to upload these documents: https://aplicaciones.ciencia.gob.es/proyectostranacionales/</p>	<p>The AEI will avoid double funding (overlapping with other EU or National funding) and will not grant projects or parts of projects already funded.</p>			<p>Tasks in which existing data are used or re-analyzed exclusively will not be considered substantial experimental tasks. Those tasks will be considered desk and not experimental research projects.</p> <p>IMPORTANT:</p> <ul style="list-style-type: none"> • On top of the abovementioned direct cost limits, indirect costs must be added in the application: 25% of direct costs (including the subcontracting costs). • the direct costs (including subcontracting) in the application must be rounded to the thousands. 	<p>the PCI (year call”.</p> <p><u>As a reference, the applicants are strongly advised to read the call text of the PCI 2025-1 (“Resolución de 5 de marzo de 2025”), and especially the the PCI Requirements document on the national call website as well as check their eligibility with the National Contact Point prior to the submission.</u></p>
