JORNADA INFORMATIVA SOBRE PARTENARIADOS COFINANCIADOS EN HORIZONTE EUROPA

7 SEP 2022

The Water4All Partnership

Esther Chacón Campollo
Agencia Estatal de Investigación (AEI)
(Esther.chacon@aei.gob.es)

EUROPEAN PARTNERSHIP

Co-funded by the European Union

Título: The Water4All Partnership

Acrónimo: Water4All

Coordinador: AGENCE NATIONALE DE LA RECHERCHE (**ANR**), France

Duración: 1 junio 2022- 31 mayo 2029 (7 años)

Presupuesto total: 86,7 M€, incluyendo 26 M€ de contribución de la EC

Número de acuerdo de subvención: 101060874

Esquema de convocatorias: 6 calls are planned over the 7-years – aprox. one joint call per year.

Financiación disponible para entidades españolas en las 2 primeras convocatorias:

5,4 M€ (2*1,5 M€ de la AEI; 2*1,2 M€ del CDTI) **más 21,3 % de contribución de la CE → 6,5 M€ en total**

Objetivos generales: Water4All tiene siete objetivos generales:

- (1) Reforzar la colaboración en I+D+i del agua a nivel europeo e internacional a través de Convocatorias Transnacionales Conjuntas
- (2) Coordinar y potenciar las actividades de la comunidad de I+D+i del agua
- (3) Apoyar y promover la demostración y acceso al mercado de soluciones innovadoras
- (4) Producir, compartir y comunicar mejor el conocimiento y los datos relacionados con el agua, desde escalas locales hasta globales
- (5) Mejorar el desarrollo del talento de los profesionales de I+D+i del agua
- (6) Fomentar el desarrollo de capacidades y la formación permanente de los responsables de la formulación de políticas sobre el agua (policy makers), stakeholders y la sociedad civil
- (7) Diseñar e implementar enfoques para el desarrollo participativo de la innovación.

Países participantes: Austria, Bélgica, Czechia, Dinamarca, Estonia, Finlandia, Francia, Alemania, Grecia, Hungría, Irlanda, Israel, Italia, Letonia, Lituania, Moldavia, Holanda, Noruega, Polonia, Portugal, Rumanía, Eslovaquia, Sudáfrica, España, Suecia, Turquía, Suiza, Malta, Luxemburgo, Reino Unido y Brasil (31).

70 entidades.

Participación española:

- AGENCIA ESTATAL DE INVESTIGACION (AEI)
 - FUNDACION ESPAÑOLA PARA LA CIENCIA Y LA TECNOLOGIA (FECYT)
- CENTRO PARA EL DESARROLLO TECNOLÓGICO INDUSTRIAL (CDTI)
- FUNDACIÓN IMDEA AGUA (IMDEA Water)
- ASOCIACION CLUSTER PARA EL USO EFICIENTE DEL AGUA (ZINNAE)
- PLATAFORMA TECNOLÓGICA ESPAÑOLA DEL AGUA (PTEA)

CONVOCATORIAS

- **1ª convocatoria: “Management of water resources for increased resilience, adaptation and mitigation to hydroclimatic extreme events” - Gestión de los recursos hídricos para una mayor resiliencia, adaptación y mitigación ante eventos hidroclimáticos extremos**

- **Estado:** abierta desde el 1 septiembre de 2022.

<http://www.waterjpi.eu/joint-calls/joint-call-2022-water4all>

- Límite para envío de pre-propuestas: 31 de octubre de 2022 a las 15:00 hs.
- 34 agencias financiadoras de 31 países
- Presupuesto: 34,1 M€ (27,3 M€ contribución nacional + 6,8 M€ contribución CE)
- Los proyectos comenzarán en otoño de 2023

- 1ª convocatoria: “Management of water resources for increased resilience, adaptation and mitigation to hydroclimatic extreme events”. Países participantes:

CONVOCATORIAS

1ª convocatoria: “Management of water resources for increased resilience, adaptation and mitigation to hydroclimatic extreme events”

- **Temas de investigación:**

1. Resiliencia, adaptación y mitigación ante fenómenos hidroclimáticos extremos
2. Herramientas para la gestión del agua - en el contexto de fenómenos hidroclimáticos extremos
3. Mejora de la gobernanza del agua en el contexto de fenómenos hidroclimáticos extremos y contextos internacionales

CONVOCATORIAS

1ª convocatoria: “Management of water resources for increased resilience, adaptation and mitigation to hydroclimatic extreme events”

- **Requisitos generales: SCOPE**
 - Proposals must address at least one main topic (not compulsory to address all subtopics).
- **DURATION**
 - 36 months.
 - Start date and end date of the researcher groups within the consortium must be aligned.
- **SUBMISSION**

Pre-proposals and Full Proposals must be received before the deadlines.

 - Online Submission Tool: <https://water4all2022-submission.mur.gov.it>
 - Proposals must be written in English.

CONVOCATORIAS

1ª convocatoria: “Management of water resources for increased resilience, adaptation and mitigation to hydroclimatic extreme events”

- **Requisitos generales: GENERAL CONSORTIUM COMPOSITION**
 - A **minimum of 3** eligible partners requesting funding from 3 different countries.
 - In addition, the projects must involve at least 2 partners from 2 different EU Member States or Horizon Europe associated countries participating in this call.
 - **Max. number** of partners per consortium is **7** (including 1 self-funded partner).
 - For proposals with up to 5 partners, max. 2 entities that are also involved in the Water4all partnership may participate in the same proposal. Larger proposals may involve up to 3 entities that are also involved in the Water4all partnership.

CONVOCATORIAS

1ª convocatoria: “Management of water resources for increased resilience, adaptation and mitigation to hydroclimatic extreme events”

- **Requisitos generales: CONSORTIUM COORDINATOR**
 - The **Consortium Coordinator** must be **eligible** for funding by an FPO of this call.
 - The PI acting as **Consortium Coordinator** can only **participate in 1 proposal** (i.e. if the PI is the Consortium Coordinator of a proposal, he/she cannot participate in any other proposal, neither as a Consortium Coordinator nor as a partner).

CONVOCATORIAS

1ª convocatoria: “Management of water resources for increased resilience, adaptation and mitigation to hydroclimatic extreme events”

- **Requisitos generales: WORKLOAD**
 - The workload distribution within a consortium must be balanced, and no partner (including a self-funded partner) should have more than 50% of person months.
 - Partners from the same country shall not have, altogether, more than 50 % of person months

CONVOCATORIAS

1ª convocatoria: “Management of water resources for increased resilience, adaptation and mitigation to hydroclimatic extreme events”

- **Requisitos generales: PARTNERS NOT REQUIRING FUNDING**
 - **No more than 1** self-funded project partner per consortium is allowed.
 - The applicants have to prove their willingness to self-fund their activities by sending a letter of intent/commitment together with the full proposal.
 - They have to follow the rules given in this Call Announcement and be part of the project consortium agreement.
 - A self-funded partner cannot coordinate a project.
 - They are not considered in the minimum requirement of eligible partners and countries in the Water4All eligibility criteria
 - They are counted for the requirement of the maximum number of partners in a project.

CONVOCATORIAS

1ª convocatoria: “Management of water resources for increased resilience, adaptation and mitigation to hydroclimatic extreme events”

- **Procedimiento en 2 fases:**
 - The submission of a pre-proposal is compulsory.
 - Applicants cannot submit a proposal at a later stage otherwise.
- **Elegibilidad nacional:**
 - The research teams applying for funding shall **comply with national regulation** of the related FPO in the Water4All consortium
 - Applicants should note that, in some countries, several funding organisations participate in the call with different organisational rules and priorities
